“Towards Living Incomes in the Coffee Sector” is a project implemented by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH and co-financed by the German Retailers' Working Group (dm-drogerie markt, Kaufland, Lidl and the REWE Group).

The project forms part of the Sustainable Agricultural Supply Chain Initiative (SASI), which, on behalf of the German Federal Ministry for Economic Cooperation and Development (BMZ) and other federal ministries, promotes the improvement of social and environmental standards in global supply chains.
